

ERGONOMIC. CLUTTER-FREE. PRODUCTIVE.

INTRODUCTION

Ebco was founded in 1963 as a Tool Room and diversified into mass production of critical components such as Cartridge Links for Ordnance Factories. In 1987, Ebco diversified into furniture hardware and has since become India's leading manufacturer of intelligent home and office furniture fittings.

Today, Ebco's product range spans Office Furniture Fittings, Drawer Slides and Hinges, General Hardware, Joinery Fittings & Screws, Furniture Locks, Retail Display Systems, Window-Door & Glass Hardware, Kitchen Systems & Accessories, Aluminium Profiles & Handles, Bed & Wardrobe Fittings & Accessories, Furniture Lights – LED. Our strengths include a range of core competencies in manufacturing, an ever-widening product range, stringent quality standards, affordable prices and an all-India distribution network.

INFRASTRUCTURE

62
YEARS OF
MANUFACTURING
EXCELLENCE

We have a state of the art design and product development department which uses the latest 3D design software and CNC Machining Technology. This enables us to launch many new products every month. Our Tool Room capacities have increased significantly which has reduced product development lead time. Our corporate office is located in India's financial capital, Mumbai; we have three manufacturing plants and multiple warehousing facilities north of Mumbai in the towns of Vasai and Palghar, Maharashtra.

Our plants use state-of-the-art roll forming and sheet metal pressing technology. Our products are engineered to perform and our quality department helps ensure that we consistently achieve this goal. Our Quality Assurance Laboratory at the Vasai manufacturing plant performs rigorous cycle tests, load tests and other checks in accordance with certified international quality norms. Our Window Fittings Plant in Palghar has been expanded to increase production capacity and we have commissioned two new warehouses in Palghar which have significantly increased our storage capacity.

PRODUCT RANGE

Our products are organised in to 11 verticals under 3 brands, each of which are unique, comprehensive and satisfy a variety of requirements.

WORKSMART – ERGONOMIC HARDWARE FOR OFFICES

Already a market leader in this category, we continue to offer great products to facilitate better working habits and enhance productivity. Our Office Furniture Fittings segment includes a variety of new Monitor Arms, Smart Lifts – Height Adjustable Desks, Computer Keyboard Stations, CPU Stations, Cable Organisers and other accessories.

EBCO – SIMPLIFYING LIVES

Known for quality with value for money pricing and a wide range, we truly embody the drive to Make in India – we make almost all products under 6 verticals at our plants here in India. Over the past two years, we have significantly widened our range of products with a special focus on the Architectural Hardware and Window Fittings segments. Our newly introduced products include Cube Shelving System, Steelfix, Digital Locks, Drawer Slides & Hinges, Friction Stays, Sliding Window Locks and many more.

LIVSMART – INTELLIGENT HARDWARE FOR HOMES

Our Kitchen Systems and Accessories segment includes Drawer Systems and Accessories, Corner Solutions, Overhead Systems, Midway Systems, Waste Bins, Roll Top Shutters and more. With a special focus on strengthening our Bedroom Furniture Fittings segment we have widened our range of products which includes Wardrobe Sliding Systems and Accessories, Pro Lift & Electric Bed Fittings and related products. We also offer a wide range of Handles & Profiles, beside Furniture Lights (LED) that enhances the decor.

Our strengths in these segments include our broad product range, best-in-segment quality standards, cutting edge features and fair pricing.

CERTIFICATIONS

Quality products, the protection of our environment and nurturing our people have always been our priorities.

As a company, we are BIFMA Compliant. Our manufacturing plant at Vasai houses our Design and Development department, Tool Room, Press Shop, Hardening, Phosphating and Assembly departments and has been certified in ISO 9001: 2015 – Quality Management System, ISO 14001: 2015 – Environmental Management System, ISO 45001:2018 – Occupational Health and Safety Management System.

ISO 9001: 2015 Quality Management Systems

ISO 14001: 2015 Environmental Management Systems

ISO 45001 : 2018 Occupational Health and Safety Management Systems

Our products are BIFMA compliant.

BIS Certification
www.bis.gov.in

We believe that we are living on time that is borrowed from future generations. Our manufacturing operations have been designed to have the least impact on the environment and leave the space we work in better than when we first acquired it. This translates into a number of sustainability initiatives such as rainwater harvesting, solar power generation and use for manufacturing operations, waste management and recycling that spans water, bio-waste and e-waste. Along with the latest manufacturing technology, our plants are also home to large gardens with multiple species of flowering plants and fruit trees.

The top priority in choosing Office Furniture Fittings & Accessories should be physical comfort and ease of use. This is the reason why Ebco Office Furniture Fittings & Accessories have been designed to reduce fatigue while working long hours and keep the workspace clutter free. Style enhances visual appeal while the ergonomic design of the furniture and accessories reduces stress levels of the employees.

Ideal Body Posture at Work

Regardless of how good your working posture is, working in the same posture or sitting still for prolonged periods is not healthy. Research shows that changing position periodically or standing for regular intervals throughout the day can reduce fatigue and improve alertness and productivity.

Ideal Standing Position at Work

- The height of the worktop should be set according to your height in such a way that you work without reaching or bending.
- The forearms should be parallel to the floor.
- Try to ensure that head, neck and wrists are in relaxed position and not forced up or down to work.
- The monitor should be at least 16" to 18" (or more depending upon screen size) in distance from your eye.
- The keyboard should be adjusted to a comfortable height that it allows the user to type with upper arms relaxed from the shoulder and forearms parallel to the floor.

Ideal Sitting Position at Work

- The height of the worktop should be set according to your height in such a way that you work without reaching or bending.
- The forearms should be parallel to the floor.
- Try to ensure that head, neck and wrists are in relaxed position and not forced up or down to work.
- The monitor should be at least 16" to 18" (or more depending upon screen size) in distance from your eye.
- The top line of the screen should be at your eye level so that the middle of the screen is approximately 20° downward for relaxed viewing.
- Your sitting height should be in such a way that the thighs are parallel to the floor, fully supported on the chair & feet firm on the floor. Use a foot rest for better support.
- The keyboard should be adjusted to a comfortable height that allows the user to type with upper arm relaxed from the shoulder and fore arm parallel to the floor.

LAPTOP STAND

- This laptop stand can be used on a table, in the car, on a bed and in the multiple scenarios
- Ergonomically designed for comfort.
- Ventilation grill feature to prevent the laptop from over-heating.
- Manufactured out of high grade durable plastic
- Minimize the risk of modern health hazards such as carpal Tunnel Syndrome (CTS) and Repetitive Stress Injury (RSI)
- Lightweight and easy to carry around as per your convenience.
- Anti-Skid pad provided to keep your laptop from sliding off the stand
- Size: (W)400mm X (D)270mm X (H)70mm

Item	Code No.	Finish
Laptop Stand	LTS1	AT

KEYBOARD TRAY

- Length: 350mm
- Extension: 200mm
- Special pressure lock at extended position
- Special compartment for pencil.
- Max. load : 12 kgs.
- Height adjustment on mounting brackets.

Item	Code No.	Finish
With Mouse Tray	KBTM35	BL
Without Mouse Tray	KBT35	BL

KEYBOARD TRAY (with Soft Pad)

- Length: 350mm
- Extension: 200mm
- Special pressure lock at extended position
- Max. load : 12 kgs.
- Height adjustment on mounting brackets.

TABLE MAT

- Textured black, blue navy and brown finishes with smooth and comfortable resting surface for your work desk.
- Protects your desk from scratches, scuffs or spills of any kind.
- Right angle edge and anti skid property retains it in position
- Size: (W)600mm X (D)350mm X (T)2.5mm

Item	Code No.	Finish
Table Mat	TM-6035	BL/BN/BR

FOOT REST

- Designed to keep your feet supported and comfortable keeping the blood circulation regular
- It can help to prevent varicose veins and pressure on the Achilles tendon which are caused for being seated for long hours
- Made of high impact polystyrene.
- Tilts (0°-20°) to provide the most comfortable angle.
- Large platform: 450 X 350 mm.
- Non-slip surface enhances overall stability

Item	Code No.	Finish
Foot Rest	FR2	BL

TABLE PARTITION CLAMP - SLIM

- Grommet mount Partition clamp for office tables
- Can be used for wood as well as glass partitions
- Partition Thickness: 4mm to 12mm (TPCS8) and 12mm to 20mm (TPCS16)
- Special plastic pads provided for better grip & protection

Item	Code No.	Finish
Table Partition Clamp - Slim	TPCS8	WT/SL/ AT/BL
	TPCS16	

TABLE PARTITION CLAMP SLIM - EDGE MOUNT

- Edge mount Partition clamp for office tables
- Can be used for wood as well as glass partitions
- Special plastic pads are provided
- Partition Thickness: 4mm to 12mm (TPCS-8EM) and 12mm to 20mm (TPCS-16EM)
- Table Top Thickness: 25mm Max.

Item	Code No.	Finish
Table Partition Clamp Slim - Edge Mount	TPCS-8EM	WT/SL/ AT
	TPCS-16EM	

TABLE PARTITION CLAMP - TOP MOUNT Design Reg. 251832/251831

- Grommet mount Partition clamp for office tables
- Can be used for wood as well as glass partitions
- Special plastic pads are provided
- Partition Thickness: 6-20mm

Item	Code No.	Finish
Table Partition Clamp - Top Mount	TPC2-620	WT/ SL

TABLE PARTITION CLAMP - EDGE MOUNT

- Edge mount Partition clamp for office tables
- Can be used for wood as well as glass partitions
- Special plastic pads are provided
- Partition Thickness: 6-20mm
- Table Top thickness: 25mm max.

Item	Code No.	Finish
Table Partition Clamp - Edge Mount	TPC2-620EM	WT/SL/AT

TABLE PARTITION CLAMP 3

- Grommet mount Partition clamp for office tables
- Can be used for wood as well as glass partitions
- Special plastic pads are provided
- Partition Thickness: 4mm to 12mm (TPC3-412) and 12mm to 20mm (TPC3-1220)

Item	Code No.	Finish
Table Partition Clamp 3	TPC3-412	WT/SL/AT/BL
	TPC3-1220	

MODESTY PANEL CLAMP

- Provides below work surface modesty for wood / Toughened glass
- Can be used for thickness between 8mm to 16mm.
- Max. load capacity: 20Kg / set

Item	Code No.	Finish
Modesty Panel Clamp	MPC1-2-WT	WT

VENTILATION GRILL DIA 40mm

- Ideal to be used where ventilation is required like in cabinets and drawers, especially for gas cylinders, wardrobes, etc.
- Made out of durable plastic.
- Size: Ø40mm
- Cutout: Ø40mm

Item	Code No.	Finish
Ventilation Grill Dia 40mm	VG40	BL/GR/WH

VENTILATION GRILL - RECTANGULAR

- Ideal to be used where ventilation is required like in cabinets and drawers, especially for gas cylinders, wardrobes, etc.
- Made out of durable plastic
- Size: (H)34mm X (W)168mm
- Cutout: (H)34mm X (W)168mm

Item	Code No.	Finish
Ventilation Grill Rectangular	VG34168	BL/GR/WH

ELECTRIC BOX - SLIDE OUT

- Grommet mount electric box is ideal for any conference table, work desk or counter tops
- The unit includes Wireless Charger 15W, 2 Universal Power Sockets, 2 USB Chargers (Type A and Type C), 1 CAT 6 Socket and 1 HDMI Port.
- Input Voltage : 110 - 250 V, Power : Max. 2300W
- In-built wireless charger for high end smart phones.
- Dimension : (W) 350mm x (D) 100mm x (H) 40mm
- Desktop Cut-out Size : 340x72mm
- Compact and slim design electric box with sliding lid that hides sockets when not in use.

Item	Code No.	Finish
Electric Box - Slide Out	EBS-SO2	SL

ELECTRIC BOX - EDGE MOUNT

- Edge mount electric box is ideal for any conference table, work desk or counter tops
- The unit includes 2 Universal Power Sockets, 2 USB Chargers (Type A and Type C)
- Input Voltage : 110V - 250V
- USB port output (A+C): 15W (fast charger)
- Power: Max 2300W
- Dimensions: (W)162mm x (D)63mm x (H)117mm
- Easy clamp on mounting makes it flexible to use on any table and mount anywhere you wish.

Item	Code No.	Finish
Electric Box - Edge Mount	EBS-EM2	BL

ELECTRIC BOX - CEILING MOUNT

- Ceiling mount electric box is ideal for any conference table, work desk or counter tops
- The unit includes 2 Universal Power Sockets, 2 USB Chargers (Type A and Type C)
- Ideal for any work desks, conference rooms etc.
- Input Voltage : 110V - 250V
- Power : Max 2300W
- USB port output: 15W (fast charger)
- Dimensions: (W)202mm X (D)43mm X (H)46mm
- Clutter free desk as it is mounted below the table

Item	Code No.	Finish
Electric Box - Ceiling Mount	EBS-CM1	BL

ELECTRIC BOX - FLIP UP

- Grommet mount electric box is ideal for any conference table, work desk or counter tops
- The unit includes : 2 Universal Power Socket, 2 USB Chargers (Type A and Type C) and 1 HDMI
- Input Voltage : 110 - 250 V
- Power : Max. 2300W
- USB port output: 15W (fast charger)
- Dimension : (W)228mm x (D)158mm x (H)51mm
- Desktop Cut-out Size: (W)216mm x (D)150mm

Item	Code No.	Finish
Electric Box - Flip Up	EBS-FU2	BL

ELECTRIC BOX WITH CABLE MANAGER 3

- Grommet mount electric box is ideal for any conference table, work desk or counter tops.
- The unit includes : 2 USB Chargers (Type A & Type C), 1 Universal Power Socket, CAT 6 & HDMI
- Input Voltage : 110 - 250V
- Power : Max. 2300W
- This compact fitting comes with a special lid that hides the socket when not in use
- Note: Does not include DC charger
